

## \*INCOME GUIDELINES 2009-2010

All income earned by everyone (except for dependent children) in the household must be declared for purposes of determining if the household is income-eligible for HUD assistance.

1-person household	\$46,300
2-person household	\$52,950
3-person household	\$59,550
4-person household	\$66,150
5-person household	\$71,450
6-person household	\$76,750
7-person household	\$82,050
8-person household	\$87,350

\*income guidelines are updated annually by HUD. Published guidelines are available in March of each new year.
