Subject: Re: Pre-Demolition Survey of Greene, Shriver and Kelley buildings

Mayor - The Greene building is not on the CPA acquired property as we specifically removed the building footprint from the total land paid for with CPA funds. Is there a plan for what will happen to that space after the building is removed? If that space is for open space/recreation, CPA funds can be used for its removal. The use is critical to this determination.

It would be helpful if you could tell us about the possible uses at our meeting on June 6, but if you cannot, we can allocated the funds at some point.

Regards,

Diana

Subject: CPC Recommendation for Appropriation of CPA Funds of \$10,950 for a City of Waltham Proposal for a Pre-Demolition Hazards Survey of the Kelley Hall and Shriver Center building at Fernald.

Jerry Dufromont
Member

At its meeting of June 6, 2017, the CPC voted to recommend to the City Council that the sum of \$10,950 be appropriated from the CPC Open Space/Open Space Recreation Reserve Account, or the Undesignated Reserve Account if needed, for a Pre-Demolition Hazards Survey of the Kelley Hall and Shriver Center Sites so that the eventual demolition of the two buildings may safely occur. The grant will be used to pay the bidder selected to do the surveys.
