Commission Business

- Approval of meeting minutes from 9-15-2022.
- Storer Conservation Land Encroachment.
- Update on filing fee projects:
 - Hardy Pond watershed map.
 - Possible invasive plant removal.
 - Mokema signage.

Correspondence

- INFORMATIONAL: The City Engineering Department has received the permit from the Army Corps of Engineers to proceed with the Trapelo Road culvert replacement project.
- INFORMATIONAL: Eversource has notified they'll be doing pylon replacement near Reservoir Place / Route 128 / 200 Smith Street beginning October 17th. This is exempt utility maintenance work with temporary wetlands impact.
- INFORMATIONAL: EPA now requires properties along the Charles River with one or more acres of impervious area to get stormwater discharge permits.

Old Business

- The Commission's policy delegating sign-off authority on development prospectuses and fuel storage licenses was sent to the Law Department on 8/10/2022. No response had been received as of 10/4/2022. The commission previously voted to send this policy to the Law Department to invite comment and then anticipated a public comment period, to be followed by notifying City Council of the new policy.

Site Visit Reports

- Fernald stream daylighting
- Waltham High School
- Azalea Road (9/28)

Committee Reports

- **CPC:** Next meeting is October 11, 2022.
- **Trust Fund:** Potential purchases of land, easements, or conservation restrictions using trust funds.

New Business

- Invasive Control Training (Mr. Baker).
- Review and vote on proposed changes to "Additional Conditions For Particularly Large, Complex, Or Environmentally-Sensitive Projects" (SOOC Condition #27).
