

# Waltham Residents can reduce winter heating bills through

## FREE HOME ENERGY ASSESSMENTS & REBATES

A home energy analysis by Mass Save can lead to savings on fuel costs this year! Learn where your home loses energy dollars and how you can prevent it. Waltham residents may save up to 30% on their heating cost of oil or gas, which can amount to \$600-800 annually! In addition, you will be eligible for the following assistance:

- 75% off, up to \$2,000, toward insulation
- Recommendations to lower your utility bills
- FREE compact fluorescent light bulbs (CFLs) which save 75% of the power consumed by traditional light bulbs
- FREE air sealing
- FREE programmable heating/cooling thermostat, if needed
- 0% interest loans for qualifying energy-efficient appliances and windows
- Written energy performance report explaining how to save energy

*There is no obligation for a household to do any of the work recommended by the assessment.*

**Call Mass Save to enroll: 1-855-838-7817**

*An NSTAR Energy Savings program, promoted by the Waltham Energy Action Committee.*
