Andy: Interview with Ralph Gaudet (Waltham Building Commissioner)

Andy described a very interesting and informative meeting he had with Building Commissioner Ralph Gaudet. Points Andy highlighted were Ralph's interest in energy savings and a general need for any assistance WEA can provide.

### **Developing an Energy Action Plan for Waltham – Discuss outline and approach**

Green Communities:

- Committee members indicated fair interest in Green Communities.
- People prefer to make an overall plan outside of Green Communities and GC may be part of it.

Review of Andy's Plan.

- In order to retain the structure of Andy's plan I created a separate file: "PlanDiscussionMay26.doc" and .pdf"

### **Next Steps/Action Items**
