

WALTHAM COMMUNITY DEVELOPMENT PROGRAM

INCOME ELIGIBILITY STANDARDS, YR 40: 2014 -2015

The federal government requires that social service programs funded with Community Development Block Grant (CDBG) funds serve a majority of households with adjusted gross incomes below 80% of the Boston Area Median Household Income (MHI), which was determined to be **\$94,100** by HUD as of December 2013. If awarded a grant please contact the Planning Department for updated income limits in January 2015. Current income limits based on family size are as follows:

Household Size:	Extremely Low Income Limit	Very Low Income Limit	Low Income
Limit	(30% MHI)	(50% MHI)	(80MHI)
1 -person household	\$19,800	\$32,950	\$47,450
2-person household:	\$22,600	\$37,650	\$54,200
3-person household:	\$25,450	\$42,350	\$61,000
4-person household:	\$28,250	\$47,050	\$67,750
5-person household:	\$30,550	\$50,850	\$73,200
6-person household:	\$32,800	\$54,600	\$78,600
7-person household:	\$35,050	\$58,350	\$84,050
8-person household:	\$37,300	\$62,150	\$89,450

Please note that these income limits are subject to change by the federal government.
