Dear Mayor McCarthy

I am writing to request permission to allow some close friends of the late Joseph L. Burgoyne III., after his sudden and unexpected passing to donate two benches and two trees to the city of Waltham in Joe's memory.

Some of Joe's closest friends who have witnessed Joe's dedication and love for his city would be truly appreciative of these benches and trees being placed on the public common, in the location deemed appropriate by Mayor McCarthy.

Thank you for your consideration in this matter, and on behalf of his friends.

I remain,

Wayne F.X. Brasco Sr.

Dear Mayor McCarthy,

With deep respect and gratitude I request the City of Waltham accept two park benches and two flowering trees in Memory of my late husband Joseph L. Burgoyne III.

The Burgoyne family has been a Waltham family for four generations, owning and operating Ideal Concrete Block Company and True Value Hardware.

Joe loved his city and all who call it home. I would truly appreciate the city allowing his friends to make this dedication in his memory.

Sincerely,

Patricia Burgoyne
