Dear Mayor McCarthy,

I am making our annual request that the City of Waltham issue a 10a permit to allow us to cleat a temporary seasonal dock to the the steel dock on the Riverwalk next to Cronin's landing. This dock would be removed after Columbus day 2018.

Information on 10a permits can be found at:

<https://malegislature.gov/Laws/GeneralLaws/PartI/TitleXIV/Chapter91/Section10a>

I would be happy to provide any additional information.

Sincerely,

Mark Jacobson

Nancy,

I sent the email below to the Mayor but I forgot to cc you about the 10a permit for the dock at Moody st.

I just spoke to Julie and she said she would check in to my request.

I just wanted to make sure you also had a copy.

Sincerely,

Dear Mayor McCarthy,

Congratulations on your re-election last month. Please tell me if I can be of any help in working to set up the snowshoe/ski outdoor center on the Met State land. Although it seems like the 2015 paddling season really never ended we have begun planning for the 2016 season.

Charles River Canoe & Kayak again requests that the City of Waltham to issue a 10a permit to allow us to cleat a temporary seasonal dock to the the steel dock on the Riverwalk next to Cronin's landing. This dock would be removed after Columbus day 2016.

Information on 10a permits can be found at:

We hope to see you out on the water in 2016!

Since the DCR has already issued a permit to Charles River Canoe & Kayak to use the steel dock for the purpose of boat rentals we believe that once the City of Waltham issues this permit we will be able to begin boat rentals at the site.
