A Community Preservation Act (CPA) Public Meeting and Hearings will be held in the Clark Government Center auditorium Tuesday, April 8, 2014 at 7 PM. The purpose of this meeting is for the Committee to receive input during a "public informational hearing" as required in the CPA (Community Preservation Act). City officials, community groups and the general public are encouraged to discuss City needs that could be met, in whole or in part, through the use of Community Preservation funds.

A video recording of the previous CPC Meeting which includes a presentation on the Community Preservation Act, is being rebroadcast on the Waltham Cable Access Channel (WCAC) and is also available at the CPA Office. The presentation provides information on the Community Preservation Act as amended in 2012. The amendments allow new opportunities for CPC grants for Recreation and Community Housing.

Other regular business of the CPC may include new Applications for Acceptance and to act on any previously Accepted Applications with Hearings or Final Decisions. Grant applicants and the Public are encouraged to attend.

Expected Meeting items will be included in the Agenda which will follow.

City Officials and the public are invited to continue to give their input on matters pertinent to the Community Preservation Committee by telephone, FAX, visitation, or electronic mail (e-mail). Matters received in a timely fashion may be added to the Agenda of the Committee for its April 8 Meeting.
