A Community Preservation Act (CPA) Public Meeting and Hearings will be held in the City Hall Council Chambers, Wednesday, March 12, 2014 at 7 PM.

The purpose of this meeting is for the Committee and the Public to receive CPA (Community Preservation Act) training from the Community Preservation Coalition. The Community Preservation Act legislation was amended in 2012 to allow new opportunities for CPC grants for Open Space Recreation and Community Housing. This training will be a prelude to a “public informational meeting” for input from all interested parties to be held April 8, 2014. Other regular business of the CPC may include new Applications for Acceptance and to act on any previously Accepted Applications with Hearings or Final Decisions. Grant applicants and the Public are invited to attend.

Expected items will be included in the Agenda which will follow.

City Officials and the public are invited to continue to give their input on matters pertinent to the Community Preservation Committee by telephone, FAX, visitation, or electronic mail (e-mail). Matters received in a timely fashion may be added to the Agenda of the Committee for its March 12 Meeting.
