Board of Health Meeting Notice

There will be a meeting of the Waltham Board of Health and Biosafety Committee on Wednesday, February 3, 2021 at 5:00 PM at the Waltham Government Center in the Auditorium.

The following items will be discussed:

1. Mana Therapeutics, 100 Beaver Street, requesting an RDNA Permit.
2. Northway Biotech, 828 Winter Street, 3rd Floor, requesting an increase in liters on the RDNA Permit.
3. Dragonfly Therapeutics, 35 Gatehouse Drive, requesting an additional permit for half of the company at 828 Winter Street.
4. Outdoor seating for restaurants on Moody Street.
5. COVID-19 updates for Board Members.
6. Gardencrest update.
