Dear Mr. Johnson,

We would request a replacement DVR for the broken Digital Video Recorder for the CCTV System at 101 Prospect St. to be funded from the Disability Commission. Currently there is not CCTV coverage at 101 Prospect St. and this is needed for safety concerns for the residents.

We have obtained a quote from Lantel for the amount of \$ 9,930.18 for the replacement of this DVR.

Respectfully,

Sharif Omer
Director of Maintenance
