Dear Mayor Jeannette McCarty,

We wanted you to know how much we appreciate your efforts, your help working to purchase our property. You made the process less painful for us. We understand and agree with you on how dangerous that intersection is for drivers. We are so impressed how hard you worked to fix the issue. Waltham is a better and will be much better city because of your hard work. You are an amazing person and I'm there, we look forward to seeing what you do next for Waltham and its people. Again, thank you for all you did to make our transition as easy as possible.

Thank you,
Sincerely,

Khoren Dertsakian
Voski Simonian
