RE: Notice of Claim/Mediation Demand
Waltham Police Station Renovation Project

Dear Councillors:

Please be advised that I received a communication from the lawyer for the successful bidder for the Police Headquarters Renovation Project. It is a Notice of Claim/Mediation Demand for lack of prosecution of financing for the bid award.

I have advised the attorney that the funding request for \$7.28M, the request of the Police Chief to use the Marquadt building for a temporary police station, and the request for the municipal zoning including the Marquadt building are all tabled in City Council Committees.

The Law Department is handling the matter. If you wish to receive a copy of the attorney's letter, please contact the Law Department, and it will be provided to you.

Sincerely,

Jeannette A. McCarthy
