RE: Winter Street & Lincoln Street Utility and Roadway Improvement Project

Dear Resident,

This letter is to notify you of an upcoming construction project that will take place in your neighborhood.

The utility portion of this project will consist of installation of new water main, cleaning and lining existing water mains, various sewer and drain rehabilitation along Winter St, Lincoln St, and Piety Corner Rd. The roadway portion of this work will include roadway and sidewalk repaving of Winter St in its entirety and a portion of Lincoln St including new sidewalks from Lexington St to Winter St.

The City has awarded this project N. Granese & Sons, Inc. of Salem, MA. It is anticipated that utility construction will begin January 2024. Roadway repaving will occur after utility work has been completed.

The City will hold a neighborhood meeting for this project on Wednesday 12/13 at 6:30 PM. The meeting will be held in the auditorium of the Government Center building, located at 119 School Street. All are encouraged to attend.

The City will be sending out regular email updates to residents. In order to sign up for these updates please send an email to jmartino@city.waltham.ma.us to be added to the distribution list.

Project information and progress updates can also be found on the City website under the Engineering Department page at the following link:

Should you have any questions, you can call us at 781-314-3830 or e-mail at jmartino@city.waltham.ma.us.

Sincerely,
Robert S. Winn, PE
City Engineer
