

Metro-Boston Project Outreach

A collaboration of support agencies and The Health and Police Departments of Arlington, Belmont, Lexington, Newton, Waltham, Watertown and Weston.

Our Mission:

To connect our residents and their families with treatment and resources that will assist them towards recovery.

If you are looking to enter into recovery, know someone who struggles with a substance use disorder, or are looking to better understand the options and resources in our area, please come to a resource night.

Resource Nights:

We will meet you where you are at! No pressure or commitment

You can remain anonymous
No personal information is needed

Free Narcan training

Representatives from various treatment programs are present to answer any questions

Resource nights are held on the second Thursday of every month from 5-8pm. Location information can be found on the Metro-Boston Facebook page.
