December 17, 2018 – Waltham, MA – The Waltham Fire Department announces the renovation and new construction of the Moody Street Fire Station. Chief Thomas MacInnis of the Waltham Fire Department and Ward 8 Councilor, **Cathyanne Harris** would like to extend sincere thanks and appreciation to **Mayor Jeannette McCarthy**, the entire **Waltham City Council**, Purchasing Agent, **Joseph Pedulla**, Building Department Inspector **Jon Millan**, the Fire Department Moody Street Station Committee members [**Deputy Tim Pratt, Capt. Peter Forbes, Lt. Mike Burke, Lt. William Withycombe, FF Brennan Barry**] and the constituents of the City of Waltham for the support and efforts in getting this project up and running.

The existing Moody Street Fire Station has serviced the community for well over 100 years. Its size is no longer sufficient to accommodate modern fire department vehicles. The construction project will correct the infrastructure problems in the original building and the new attached addition is designed to be constructed on the Young Building lot location.

The estimated schedule construction schedule for this project is as follows:

Action	Estimated Time Frame
Demolition of the Young Building	4 to 6 Weeks
Completion of Construction Documents	By the end of January 2019
Bids for the construction project	February 2019
Funding Request	March/April
Construction commencing	Late Spring of 2019
