

# Waltham City Clean up

2021

Saturday April 24<sup>th</sup>

Due to the Covid-19 Pandemic, we are offering small groups or families a chance to be part of a city wide clean up this spring. There will be no kick off this year.

If you know of an area you would like to address you can tell us so we can coordinate with all other parties. If not, we will have areas we can assign to you and your small group.

Assignments, Trash Bags, and Face Masks will be distributed at Public Works on Friday  
April 23, 165 Lexington Street.

We will coordinate a pick-up site for the full bags.

You can call or email us at the Publics works office.

Stew LaCrosse 781-314-3801 or Janice Deveney 781-314-3803
