Request for Proposals

Lease of 92 Felton Street

Waltham, Massachusetts

I Introduction

The City of Waltham (Lessor) is currently offering for lease, "as is." the two-story (plus basement) building known as 92 Felton Street, Waltham, Massachusetts, as generally identified on the site plan attached hereto as Appendix A. The building is vacant.

The property consists of a basement (2,800 square feet), first floor (2,800 square feet) and second floor (2,800 square feet). There is a garage (1,792 square feet) on the property, but the garage is not part of the leased premises. The property consists of approximately 22,400 square feet of land. There is space available on the property to provide approximately 36 parking spaces.

The building at 92 Felton Street is a masonry structure. The property was built in 1900.

II Site Information

Located in the heart of Waltham's business and civic district, 92 Felton Street is in close proximity to the intersection of Moody and Felton Streets. Moody Street is a short distance from Main Street (Route 20). Main Street is a short distance from major roadways providing access to Boston (approximately nine miles east of the site) and Route 128 (approximately two miles west of the site). The Purchasing Agent shall refer all proposals that meet the Submission Requirements to the Evaluation Committee, as expanded upon below in VIB. Any proposal, which does not contain all the completed documents and forms set forth in Section V- Submission Requirements, shall be rejected.
- B. Comparative Evaluation Criteria: An Evaluation Committee, consisting of one representative from the Building Department, Planning Department and Maintenance Department will evaluate all proposals referred to it by the Purchasing Agent. The Evaluation Committee's review will be based on the relative merits of the proposals in terms of the proposed improvements and the amount of rent to be paid. The Evaluation Committee's review will be based on the relative merits of the proposals in terms of:
 1. Improvements (25% of total points)
Improvements will be evaluated on a scale of 1 to 5 (with 5 being the highest score) based on the extent to which they add to the value of the building.
 2. Rental stream (75%) of total points)
The Evaluation Committee will determine the present value of the rental stream to be generated by each proposal. Each proposal will be given a score of 1 to 5 (with 5 being the highest score) based on the present value of rental payments and the financial strength of the proposer. A score of 1 will be given to a proposer who offers \$1.00 per year and provides a plan on how it will finance the improvements to secure an occupancy permit. Additional points will be given for higher lease payments or stronger plans.
- C. Evaluation. Once points are established for the improvements, and the rental stream of each proposal, the Evaluation Committee will weigh these criteria as listed above. Based on the final scores assigned to each proposal, the Evaluation Committee shall make its recommendation to the Mayor and City Council of the City of Waltham who shall identify the most advantageous proposal.
