Identification of Documents

All reports and other documents completed under this Agreement other than documents exclusively for internal use of the Contractor or the City of Waltham shall carry the following notation on the front cover or title page (or, in the case of maps, in the title block):

"The preparation of this (report, document, etc.) is financially aided through a City of Waltham Community Development Program grant under the provisions of Title I of the Housing Community Development Act of 1974, as amended, and administered by the United States Department of Housing and Urban Development."

Recapture of Funds

Upon determination by the City that the Contractor has failed to comply with any portion of the terms of this Agreement, and in particular has inappropriately expended Grant funds, the City may take such steps as necessary, in order to protect its ability to fulfill its obligations to HUD, including but not limited to legal action, to recapture grant funds already released to and/or expended by the Contractor.

Conflict of Interest

No member, officer, or employee of the City, or its designees or agents, no members of the governing body of Waltham, and no other public official of such locality or localities who exercise any functions or responsibilities with respect to the CDBG Program during his or her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, or work to be performed in connection with the project assisted under this Agreement.

No Contractor agency official shall participate in any decision relating to this Agreement which affects his personal interest or the interest of any corporation, partnership, or other business for profit association in which he is directly or indirectly interested or has any personal or primary interest, direct or indirect, in this Agreement or the proceeds thereof. Individuals subject to conflict of interest provisions may nevertheless be members of, or associated with, or provide assistance to the Contractor agency so long as such persons do not have any financial interest in the activity or receive compensation for such services.

Officials Not to Benefit

No Members or Delegates to the Congress of the United States of America, and no Resident Commissioner, shall be admitted to any share or part hereof or to any benefit to arise here from.

Lobbying and Religious Activities

The Contractor agrees that Grant funds shall not be used by the Contractor for publicity or propaganda purposes designed to support or defeat legislation pending before Federal, State or local government. The Contractor also agrees Grant funds shall not be used for religious activities and/or religious promotion.

Historic Preservation

The Contractor agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this agreement. In general, this requires concurrence from the State Historic Preservation Officer and Waltham Historic Commission for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state or local historic property list.
