ADDENDUM NO. 1

February 24, 2017

CHANGES, CORRECTIONS AND CLARIFICATIONS

The attention of bidders submitting proposals for the above subject project is called to the following addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or clarification are all to be included in and form a part of the proposal submitted.

THE NUMBER OF THIS ADDENDUM (NO. 1) MUST BE ACKNOWLEDGED AS RECEIVED BY THE COMPANY IN THE COST EVALUATION FORM (PRICE SHEET)

ITEM 1: ANSWERS TO POSED QUESTIONS

- Q1. Is there any indication of buried utilities near the fenced area (not the overhead corridor)?
A1. The City has no indication of buried utilities at this site
- Q2. Is there any indication that modern debris in the vicinity of the fenced area may contain hazardous materials?
A2. We have no indication the trash material accumulated on the Side of West Building is hazardous. There are some metal pieces that are rusted.
- Q3. Is the maintenance department willing and able to assist in activities like pre-survey vegetation clearance or debris removal, if deemed necessary?
A3. The City will lend all possible assistance. The extent of our involvement will be agreed and discussed following the designer selection.
- Q4. For the land survey to be conducted by our PLS, will the City of Waltham please provide guidance on preferred deliverable format for electronic and hardcopy maps?
A4. 3 Hard copy maps will be sufficient
- Q5. Does City of Waltham have a preferred project timeline for completing the studies?

- A5. No more than 45 calendar days
- Q6. Please provide the correct spelling of the name of the maintenance director who joined us yesterday morning
- A6. Donnie Cusano, Clerk of the Works
- Q7. Are we required to excavate the site?
- A7. Yes, you will need to determine if this site was at any time a cemetery.
