December 5, 2016

CHANGES, CORRECTIONS AND CLARIFICATIONS

The attention of bidders submitting proposals for the above subject project is called to the following addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or clarification are all to be included in and form a part of the proposal submitted.

THE NUMBER OF THIS ADDENDUM (NO. 1) MUST BE ACKNOWLEDGED AS RECEIVED IN YOUR COVER LETTER

ITEM 1: ANSWERS TO POSED QUESTIONS:

Q1. Will the maintenance program only include the carts to be provided under this contract? If not, could you give more details about the carts to be included in the maintenance program?

A1. The cart maintenance involves all bins (the ones to be purchased under this contract plus the ones currently opened by the City). Section 9.1 provides more information on this. Although the City does not have an accurate inventory of the wheeled crats it owns, the number is minimal. By far the Carts owned by the City will be the ones procured under this contract
