

THE CITY OF WALTHAM
MASSACHUSETTS
PURCHASING DEPARTMENT

**Annual Contract for the Resurfacing of Bituminous Roadways
and Repairs to Sidewalks**

ADDENDUM NO. 1

October 4th, 2018

CHANGES, CORRECTIONS AND CLARIFICATIONS

The attention of bidders submitting proposals for the above subject project is called to the following addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or clarification are all to be included in and form a part of the proposal submitted.

THE NUMBER OF THIS ADDENDUM (NO. 1) MUST BE ACKNOWLEDGED IN SECTION Bid Price Form Page, Section 00300

ITEM 1: ANSWERS TO POSED QUESTIONS

Q1. What are the streets to be paved?

A1. See Attachment 1 for list of Streets

Q2. One Section of the specs call for a zero to six inch cut into pavement. In what sections and what streets need that kind of deep cutting?

A2. We don't anticipate any of the roads on the list requiring a six inch cut

Q3. The specs call for 5,000 yards of reclaiming....what street or streets will require this 5,000 yards of reclaiming?

A3. The reclaiming was included for sections of School Street that are in too bad of a condition to simply mill.

Q4. Waverly Oaks is in the list to be paved. It has been reported that it was paved 2-3 yrs ago. Does it really need to be done again? If so, what is the start and end point?

A4. The Restricted Street list is included in contracts so the contractors are aware of which streets throughout the entire City have restricted hours. This is a Master List indicating the restrictions. It does not signify these streets will be on the paving plan.

End of Addendum 1

ANNUAL CONTRACT FOR THE RESURFACING OF BITUMINOUS ROADWAYS AND REPAIRS TO SIDEWALKS

SCOPE OF WORK, SUMMARY:

The work consists of milling or reclaiming and paving sections or entire lengths of various roadways in Waltham. The excavation and replacement of concrete and bituminous concrete sidewalks will be done as directed by the OWNER. The list of Streets to be repaved may include but is not limited to Moody Street, School Street, Lexington Street, Prospect Street, Cabot Street, and Vernon Street. The City reserves the right to add or remove streets from this list. All work shall be done in compliance with the Americans with Disabilities Act. An ADA compliant corner curb ramp shall be installed at every intersection corner unless otherwise directed by the OWNER. ADA compliant curb ramps shall be installed at all cross walks.
