Stonewall Survey, 2017

ADDENDUM NO. 1

October 17, 2017

CHANGES, CORRECTIONS AND CLARIFICATIONS

The attention of bidders submitting proposals for the above subject project is called to the following addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or clarification are all to be included in and form a part of the proposal submitted.

THE NUMBER OF THIS ADDENDUM (NO. 1) MUST BE ACKNOWLEDGED AT THE BOTTOM OF THE PRICE SHEET

ITEM 1: ANSWERS TO POSED QUESTIONS

1. Is the field survey and mapping project limited to these previously identified stone walls, or is the Consultant responsible to field survey the approximately 358 total property acres and map and photograph any additional stone walls within the three properties?
 - a) **The consultant is responsible for surveying all 358 total property acres.**
2. Will the consultant be provided with the dataset (GIS shapefile or similar format) of the preliminary stonewall survey as shown on the RFP maps prior to the field survey?
 - a) **Yes, Once the Consultant is selected the City will make available all of the information in its possession**
3. Does the City anticipate that the \$50,000 CPA funds allocation will also cover additional activities related to stone wall preservation efforts not included in the current scope of work?
 - a) **This is not a relevant question. The services required are clearly written in the specs. The consultant should be focused on the delivery of these services only. No assumption should be made by the consultant as to the requirement of additional services at this point**
