ARTICLE 2: RESPONSABILITIES OF THE CITY OF WALTHAM

- 2.1 Approvals.** The City of Waltham shall without unreasonable delay either i) render to the Designer any approval required by this contract or ii) notify the Designer in writing why such approval is being withheld. The City of Waltham shall not unreasonably withhold any approval, acceptance, or consent required under this Contract.
- 2.2 Payment.** For satisfactory performance of all the Designer's obligations under this Contract, the City of Waltham shall compensate the Designer in accordance with the provisions of articles 5,6,7,8 and 9 of this Contract.
- 2.3 Surveys and Data.** The City of Waltham shall furnish to the Designer existing and available surveys of the Project's building site or sites, showing the grades and lines of streets, pavements and adjoining properties; the rights, restrictions, easements, boundaries and contours of the site or sites; reports from any borings, test pits; chemical, mechanical or other tests; photographs and drawings regarding existing buildings. All items and data provided to the Designer by the City of Waltham shall remain the property of the City of Waltham. The designer may use items and data provided by the City of Waltham only for the purposes of this contract, unless the City of Waltham shall give the designer specific written permission for some other use. The City of Waltham does not guarantee nor does it make any expressed or implied warranties concerning the accuracy of any such information furnished to the Designer.
- 2.4 Two Envelope Bid.** This is a two envelope bid where in one the company qualifications are placed in the second sealed envelope the Designer shall place the price sheet. No mention of the proposed price should be presented anywhere else in the bid response.

55 points will be for the evaluation is based on the technical aspect of the proposal.

45 points are for price.

- 2.5 No Waiver.** The City of Waltham's review, approval, acceptance of, or payment for, any of the services furnished by the Designer shall not be construed as a waiver of any rights under this Contract or any cause of action arising out of the performance

of this Contract. The City of Waltham's approval shall not in any way relieve the Designer from performing all work required under this Contract in accordance with the standard of care set forth in Section 3.2 herein.

- 2.6 Right to Rescind Approval of Consultant.** The City of Waltham may rescind the City of Waltham's prior consent to a Consultant if a Consultant or subcontractor is incompetent, irresponsible or otherwise unsatisfactory, and the Designer shall remove such consultant or subcontractor from the work. If a consultant is so removed, the Designer shall provide another consultant with similar credentials and qualifications (including but not limited to MBE/WBE) that meets with the approval of the City of Waltham. The removal of us such Consultant or sub consultant shall not relieve the Designer from its responsibilities for service of its Consultants and sub consultants under this Contract.

ARTICLE 3: DESIGNER'S BASIC SERVICES

- 3.1 General.** The Designer shall perform professional services in accordance with the terms of this Contract, the Scope of Services set forth in Attachment A, the provisions of M.G.L. c. 7, § 42C, the City of Waltham requirements, and in accordance with the procedures set forth in Attachment B. If the Designer did not perform the Study for the Project, then the Designers Selection Board advertisement is also incorporated herein by reference, the provisions of this Contract shall control. The Designer shall be responsible for the professional accuracy and coordination of all designs, drawings, specifications, cost estimates and other services and submittals furnished by the Designer and by its Consultants in accordance with M.G.L. c. 149A or prequalification services if required or decided upon by the City of Waltham under M.G.L c. 149§§44D1/2 or 44D3/4.
- 3.2 Staffing; Time of Essence.** The Designer's personnel who shall provide services under this Contract are those listed in Attachment C. The Designer shall provide sufficient personnel to complete the service required by this Contract in a continuous and timely manner, and shall meet the Approved Contract Schedule agreed upon in accordance with section 4.1 in this Contract. Time is of the essence in this Contract.
- 3.3 Standard of Care; Compliance with Laws.** The Consultant agrees that the services provided hereunder shall conform to the standard of care and practice exercised by design professionals or consultants engaged in performing comparable services; that the personnel furnishing said service shall be qualified and competent to perform adequately the services assigned; and that the recommendations, guidance and performance of such personnel shall reflect such standards of care and practice. In addition to and without limiting the foregoing, the Designer agrees that the work and services performed hereunder shall conform to the standards set forth in this Contract and will endeavor to conform to all applicable Laws.
- 3.4 Quality Assurance.** The Designer shall demonstrate to the Authority the presence and implementation of quality assurance procedures. The Designer shall identify individual(s) responsible for the bid document review and cost estimating, as well as methods utilized to determine the completeness, accuracy, and coordination of drawings, specifications, cost estimates, and other data and documentation.

- 3.5 Fixed Limit Construction Cost.** The Designer shall determine the materials, equipment, component systems and types of construction included in the design of the Project so that it may be awarded with the Fixed Limit Construction Cost without alternatives (unless Approved by the City of Waltham) and without allowances of any nature. Such determination shall be subject to the approval of the City of Waltham, which shall not be unreasonably withheld. If the City of Waltham has appointed a construction manager or an independent cost estimator for the Project, the Designer shall validate its Construction Cost Estimates with such person. Construction Cost Estimates shall be subject to the approval of the Authorized Representative. The decision of the City of Waltham shall be final in matters pertaining to this section but the Designer shall not be responsible for any decision by the City of Waltham that is inconsistent with generally accepted standards of professional practice provided the Designer shall have advised the City of Waltham in writing of the inconsistency at the time of Approval. If within 8 months after approval of Construction Documents, in final form, the bids of the lowest responsible and eligible bidders exceed the Fixed Limit Construction Cost, the Designer shall, if so instructed in writing by the City of Waltham, provide such revise construction drawings and specifications and Construction Cost Estimates as the City of Waltham shall require the purpose of bringing the cost with the Fixed Limit Construction Cost; provided that Designer may in connection with such revision make reasonable adjustments in the scope of the project subject to the written approval of the City of Waltham, which approval shall not be unreasonably withheld. The Designer shall not be paid additional compensation for such service.
- 3.6 Designer to Evaluate Surveys and Data.** The Designer shall analyze and evaluate the information furnished by the City of Waltham pursuant to Section 2.3 above. If items or data of the type insufficient to permit the designer properly to perform its services hereunder, the Designer shall submit a written request to the City of Waltham for permission to obtain the services of one or more Consultants to perform the necessary services, in which case unless the services are included in the Scope of the Contract, the Designer shall be reimbursed in accordance with Article 7 (Reimbursable Costs and Expenses), or to perform the services with the Designer's own employees, in which case the Designer shall be compensated in accordance with Article 6 (Additional Services; Additional Compensation). In no case shall the Designer commence or authorize a Consultant to commence such services without the prior approval of the City of Waltham.
- 3.7 Corrections by the City of Waltham.** The Designer shall furnish appropriate competent professional services for each of the phases of the Project to the point where detail checking or reviewing by the City of Waltham is unnecessary. Any changes, corrections, additions, or deletions made by the City of Waltham shall be incorporated into the design of the Project unless specific written objections thereto are made by the Designer and approved by the City of Waltham. The decision of the City of Waltham shall be final in matters pertaining to this section, but the Designer shall not be responsible for any such decisions by the City of Waltham that are inconsistent with generally accepted standards of professional

practice provided that the Designer advise the City of Waltham in writing of the inconsistency at the time the decision was made.

3.8 Employment of Consultants. Subject to the provisions of this Contract and the approval of the City of Waltham, whenever the services of the following Consultants, and any other Consultants listed in Attachment A or in the Designer Selection Board's advertisement for the project, are required, the Designer shall employ them and be responsible for their work and the coordination and supervision thereof: structural engineers, electrical engineers, mechanical engineers, civil engineers, plumbing engineers, sanitary engineers, architects, landscape architects, code specialists, specification writer , interior designers, and others.

Consultants shall be registered in Massachusetts in their respective disciplines. If the City of Waltham employs an independent cost estimator, Owner's Project Manager, and/or other consultant(s), the Designer and its Consultants shall work directly with the City of Waltham's consultant(s) to ensure that the optimum cost, scheduling, and ease of construction objectives are met.

3.9 Approval of Consultants. Except as specifically provided in this Contract, the Designer shall not employ Consultants, or sublet, assign or transfer any part of its services or obligations under this Contract without the prior Approval of the City of Waltham subject to the provisions of M.G.L. c. 7, §38H. To obtain such approval, the Designer must submit the items required by M.G.L. c. 7, §38H. The Designer shall provide the City of Waltham with complete copies of its contracts with each of its Consultants within 14 calendar days of the executions of such contracts.

3.10 Consultants Barred from Construction Work. The Designer shall not employ in any element of design, specification, estimating, evaluation or other work under this Contract any person or firm that expects to be a bidder, subcontractor or supplier for the construction of the Project or any part thereof. The Designer shall obtain from every consultant a written representation that such Consultant is aware that it is prohibited from serving as a bidder, subcontractor, or supplier for the construction of the Project or any part thereof.

3.11 Prompt Payments to Consultants. The Designer shall within 14 calendar days after receiving payment from the City of Waltham, either make payments to each consultant whose work was included in the work for which such payments was received or notify the City of Waltham in writing of the reason why such payment is not being made within such time period.

3.12 Proprietary Items. The City of Waltham becomes the sole proprietor of all design and bid documents including specifications, drawings, plans, submittals and all other information for which the Designer has been paid to produce.

3.13 ADA, Handicap Access and Nondiscrimination Laws. Consistent with the standards of care practice stipulated in section 3.3 above, the Designers shall perform its services under this Agreement in strict compliance with all Laws relating to architectural accessibility, including without limitation, the applicable sections of the Americans with Disabilities Act of 1990(ADA 42 U.S.C sections 12101 et. seq.) The ADA ACCESSIBILITY Guidelines for Buildings and Facilities (ADAAG) and the regulations of the Massachusetts Architectural Access Board (MAAB, 521 CMR 1.1 et. seq.) The Designer recognizes that the City of Waltham and the User Agency are Public Entities subject to Title II of the Americans with Disabilities Act, may be recipients of federal funds under the Rehabilitation Act of 1973, and are subject to the MAAB regulations referenced above. The Designer hereby assumes the Public Entities' obligations, including those that exist under the MAAB, ADAAG and/or the Rehabilitation Act of 1973 to design a facility accessible to and usable by people with disabilities. The Designer shall provide the City of Waltham with designs that provide access to all programs, activities and services to be conducted within the facilities to be designed in accordance with the scope of work of the Contract and to document compliance with the above referenced standards, as well as any variance or waivers of the above requirements the Designer may have obtained on behalf of the public entities. The Designer shall not seek any such variance or any waiver of the above requirements without the express, written authorization of the City of Waltham. The Designer shall exercise due care and diligence in accordance with the standards of care set forth in paragraph 3.3 above, in performing the work required under this Contract to protect, indemnify, and defend the City of Waltham from claims for failure to comply with the laws, rules and regulations pertaining to architectural accessibility for people with disabilities

3.14 Permits Generally. Unless otherwise instructed by the City of Waltham in writing, the Designer shall obtain all Permits required to implement Designer's design at the site other than standard building permits customarily obtained by the general contractor. The Designer shall obtain the prior Approval of the City of Waltham of all permit applications, notices, and accompanying documentation before filing them with the appropriate governmental entity or other party. The Designer shall provide for the filing of them with the appropriate governmental entity or other party. The designer shall provide the City of Waltham with a certified list of permits required to implement the design at the site as soon as possible during design development, shall schedule target dates for the procurement of such Permits, and shall regularly update such list and schedule target dates for the procurement of such list and schedule during the term of the contract. The Designer shall certify in writing at the time that construction documents (or changes thereto) are submitted to the City of Waltham that the Designer has identified all Permits required to implement the project and that those not identified in writing as being the responsibility of the City of Waltham have been identified on the specifications as being the general contractor's responsibility. Notwithstanding the foregoing, any

required attendance by the Designer at any public hearing in connection with any Permit shall be considered an Additional Service to be compensated in accordance with Article 6 of this Contract, and any Permit applications fee shall be considered a Reimbursable Expense to be reimbursed in accordance with the provisions of Article 7. City mandated permit fees will be waived.

As part of this Scope of Work and Contract, the Designer will be responsible for appearing before any local or state historic commissions to obtain their input/advice and ultimate approval on any of the historic matters within their jurisdiction. They will also be responsible for any filings before the Waltham Historical Commission or Massachusetts Historical Commission regarding any exterior design changes or improvements.

3.15 Permits Related to Change Orders. The Designer shall also provide to the Awarding Authority a written certification of all Permits required to implement change order work at the site when the Designer submits for approval any change order request to the City of Waltham during the construction phase of the Project, whether the change order request was made by the Designer, the City of Waltham, or the general contractor.

3.16 Special Consultants. The Designer shall retain the services of a Qualified Testing Laboratory, special field inspectors, and other special Consultants not referenced in Article 3.8 above when required for the Designer's services for the project. The identity of such Consultants shall be approved in advance by the City of Waltham, which approval shall not be unreasonably withheld. When such a special Consultant's service is required, including the services of a Qualified Testing Laboratory functioning under the jurisdiction of both a Massachusetts registered engineer and licensed inspectors, a detailed description of purposed services shall be prepared by the Designer and shall be subject to the approval of the City of Waltham. Consultant fee proposals shall be obtained by the Designer and shall be subject to the approval of the City of Waltham. Consultant fee proposals shall be obtained by the Designer from at least 3 consultants and submitted to the City of Waltham together with the Designer's recommendation for selection before any work shall be approved. The City of Waltham may waive the requirement for three proposals for good cause. Each such Consultant whose fee for such service exceeds \$25,000 dollars shall demonstrate coverage by liability insurance for an amount no less than its fee. The cost for services of any Approved special consultant not listed in Section 3.8, in the Scope of Services or in the Designer Selection Board advertisement for the Project shall be reimbursed as provided in Article 7. For solicitation, inspection, analysis, coordination, and evaluation of such Consultant's services and for assuming liability therefore, the Designer shall be compensated as provided in Article 7.

3.17 Copyrights, Patents, Intellectual Property Rights. The Designer hereby grants to the City of Waltham an irrevocable royalty-free license to use for any purpose the following items developed or made part of the work of service performed under this Contract: all drawings, designs, specifications, photographs, images, notes,

materials and other work and idea of the Designer and its Consultants and subcontractors related to the performance of this Contract which are or may be covered by copyright, patent, or any other intellectual property Laws or as to which Designer and its Consultants and subcontractors may assert any rights or establish any claim under any such Laws. The Designer agrees on behalf of itself and its Consultants and subcontractors that the City of Waltham shall have unlimited royalty-free rights, for the benefit of the City of Waltham, any public entity to which the City of Waltham may grant the right to share such rights, in any and all drawings, designs, specifications, photographs, images, notes, materials and other work and ideas developed in the performance of this Contract, including the right to use the same on any City of Waltham projects. The Designer shall incorporate by reference this provision into all contracts with its Consultants and subcontractors on this project including, but not limited to, architects, engineers, estimators, designers and photographers. The Designer and its Consultants and subcontractors shall not be responsible for changes made in the documents without the Designer's authorization, nor for the City of Waltham's uses of the documents on projects other than the Project, unless this is a contract for design services for a master plan or prototype. The City of Waltham assumes the risk resulting from any such changes made in the documents without the Designer's authorization, or for the City of Waltham's use of any documents on project other than the Project.

3.18 Security and Confidentiality. The Designer and its Consultants and subcontractors shall maintain the confidentiality of Project records, including, but not limited to, all prints, plans, policies, procedures, studies, specifications and drawings, which relate to internal layout and structural elements, electrical and mechanical systems, security measures, emergency preparedness, threat or vulnerability assessments, and other records relating to the security or safety of persons or buildings, structures, facilities, utilities, transportation or other infrastructure located within the City of Waltham, the disclosure of which, in the reasonable judgment of the City of Waltham, is likely to jeopardize the safety of persons or property. Without limiting the foregoing, if the Project is a designated "Security Sensitive Information" project, the Designer shall execute a separate Security Sensitive Information procedures and Confidentiality Agreement and shall comply with such document protection requirements as may be referenced in said agreement.

ARTICLE 4: PROSECUTION AND PROGRESS OF BASIC SERVICES

4.1 The Designer shall perform the following specific tasks in the following phases:

- i. Upon receipt of a Notice to Proceed with Schematic Design Phase from the City of Waltham, the Designer and its appropriate Consultants shall meet with agents of the City of Waltham to arrive at a mutual understanding of the project by the City of Waltham.
- ii. The Designer shall submit a proposed design work plan for the Designer's Services pursuant to this Contract including anticipated tasks and submittals. The Designer shall submit a proposed Contract Schedule consistent with any project schedule included in the Study or Scope of Service referenced in Attachment A. The schedule shall contain dates for submittals, deliverables,

actions, milestones, design workshops, meetings and the critical path through all design service activities. It shall include allowances of time for the User Agency's and the City of Waltham review and approval of submittals and for approval of submittals and for necessary submissions for Permits in connection with the project. When approved by the City of Waltham, the work plan and the Contract Schedule shall govern the Designer's duties hereunder. The work plan shall also include a work plan schedule of values consistent with the payment schedule for the Basic Fee specified in Section 8.2, which shall be the basis of which payments of the Basic Fee within each phase shall be made. The work plan schedule of values shall identify deliverables within each phase and percentages of the phase fee payable upon completion of such deliverable. When approved by the City of Waltham the work plan schedule of values shall govern the timing of payments of the Basic Fee upon the completion of deliverables within each phase as each phase progresses.

- iii. The Designer shall prepare a preliminary evaluation of the City of Waltham's project and construction budget requirements subject to the limitations described in sub paragraph iv below. If the Designer is the Designer that performed the Study, the City of Waltham may at its option permit the Designer to develop the preferred Study alternative. Otherwise the Designer shall develop at least three alternative designs to a pre-schematic level. For the purposes of the preceding sentence "pre-schematic" means a general design concept level including program space and building envelop, footprint, massing, volume, orientation, and sight context. Each pre-schematic alternative shall include a Construction Cost Estimate. The Designer shall review with the City of Waltham the alternative designs and shall make a recommendation as to the preferred alternative. Upon selection by the City of Waltham of the preferred alternative, the Designer shall develop the preferred alternative to a full schematic design level. Schematic design level documentation preferred alternative to a full schematic design level. Schematic design level documentation shall incorporate the City of Waltham and User Agency comments and shall include:
 - (a) Drawings, concept sketches, three dimensional representations, and specification;
 - (b) A building code analysis;
 - (c) An environmental assessment;
 - (d) A preliminary life cycle cost analysis;
 - (e) A plan for implementation or inclusion of any appropriate public utility energy conservation design programs;
 - (f) An analysis of the design's compliance with the Americans with Disabilities Act/Massachusetts Architectural Access Board Requirements;
 - (g) A space measurement analysis for the designer which shall verify that the sum of all program floor areas in the Project plus all other floor areas in the project equal the Gross Floor Area of the Project;

- (h) A Construction Cost Estimate for the design with aggregated unit rates and quantities supporting each items and verified as accurate and complete by the cost estimator and/or Owner's Project Manager, if any, employed by the City of Waltham.
- iv. Schematic design phase drawings, specifications Construction Cost Estimates and other submittals shall be subject to the written approval of the User Agency and the City of Waltham. Under a lesser number is requested by the City of Waltham, the Designer shall submit to the City of Waltham for approval for six copies of schematic design drawings, specifications, cost estimates, and other submittals.

4.2 Design Development Phase Services.

- i. Upon receipt of a Notice to proceed with the Design Development Phase, the Designer and its Consultants shall meet regularly and as necessary with the agents of the City of Waltham and the User Agency, shall update and refine items submitted during the schematic design phase, and on the basis of the approved schematic design phase documents:
 - (a) An updated work plan and Project Schedule;
 - (b) A list of all Permits required to implement the designer and a schedule of target dates for the procurement of such permits, which last and schedule shall be regularly updated during the term of this Contract;
 - (c) Information and documentation within the technical expertise of the Designer and its Consultants that is necessary for the City of Waltham to file Environmental Notification Forms, Environmental impact forms, and any other fillings for Permits that must be filed during the design development phase;
 - (d) Complete design development drawings, draft specifications indicating any filed sub-bid sections based on the cost of the work and other documents necessary to specify the size and character of the Project as to sitting, landscape, architectural, structural, fire protection, plumbing, HVAS, electrical, ADA/MAAD, product requirements, and other features;
 - (e) Quality control documentation demonstrating without limiting coordination of ceiling clearances, mechanical room size, and shaft sizes; specifications and drawings; filed sub-bid work or sections; scheduling; equipment and power; existing and new construction; and phasing;
 - (f) Design development drawings for which the Designer shall submit for a tentative approval review to the public agency having jurisdiction over enforcement of the State Building Code with respect to the Project (The Department of Public Safety of the City of Waltham for state-owned Projects or the building commissioner of the city or town in which the Project is located for other projects);
 - (g) A life style cost analysis to determine which design decision related to all energy and water consuming devices and overall building operation and maintenance are the most cost effective;

- (h) A Construction Cost Estimate for the design in Unifomat II Level 3 format, with unit rates and quantities supporting each item, which shall have been reviewed and approved as accurate and complete by any cost estimator or Owner's Project Manager employed by the City of Waltham with respect to the Project;
 - (i) A space measurement analysis for the design verifying that the sum of all program areas in the Project plus all other floor areas in the Project equals the Gross Floor Area of the Project;
 - (j) A summary or summaries comparing the Design development drawings, specifications and cost estimates with the program requirements, and explaining any deviations in writing.
- ii. Such drawings, specifications, cost estimates and other Design development submittals shall be subject to the written approval of the User Agency and the City of Waltham. Unless a lesser number is requested by the City of Waltham, the Designer shall submit to the City of Waltham for approval six copies of design development drawings, specifications, cost estimates, and other submittals.

4.21 Final Design Completion

Shall be achieved within 100 calendar days from the Notice-to-Proceed.

4.22 Ownership of Designer Produced Documents. Upon payment of the Designer's fee as specified in Article 5 and 8, the City becomes the owner of all sketches, prints, drawings, submittals, etc. produced as a result of this Project.

4.3 Construction Documents Phase Services

- i. Upon receipt of a Notice to Proceed with the Construction Documents Phase of the Project from the City of Waltham, the Designer and its Consultant shall meet regularly as necessary with agents of the City of Waltham and the User Agency, and based on the submittal approved in the Design development phase of the Project, shall update and refine the items previously submitted and shall submit on or before the date and time specified in the approved Project Schedule;
 - (a) An updated work plan and Project Schedule;
 - (b) Complete construction drawings and specifications, certified by the Designer as having satisfied the applicable quality control review, approved as required by subsection ii below, in sufficient detail to permit fixed-price bids in open competition for construction of the Project;
 - (c) An updated environmental assessment, building code analysis, ADA/MAAB analysis, and a certified list of all required testing and required permits as well as a certification that all applicable local, state and utility officials have been contacted by the Designer regarding each utility connection and the persons responsible for permits or connection approval has agreed to the systems' use;

- (d) Structural and energy calculations, building code analysis, ADA/MAAB analysis;
 - (e) At the 60% stage of completion of the final drawings and specifications, construction Cost Estimate prepared using the Unifomat II classification to Level 3, including quantities of all materials and unit prices of labor, equipment, and materials as well as a cost estimate for each item of work, reviewed by the City of Waltham.
- ii. The Designer shall furnish a revised and final Construction Cost Estimate, current as of the date of the final bid documentation submission, including cost estimates for general conditions, overhead and profit, insurance, bonds, and all other items; provisional allowances for work not sufficiently design at this phase; and allowances expressed as percentage rates for construction contingencies and escalation to the bid date. The final Construction Cost Estimate shall be completed with a single outline specification description for each item with the detailed unit rate or item cost buildup provided as a backup in each case.
 - iii. The Designer shall furnish a final Construction Cost Estimate, current to the date of the final bid documentation submission.
 - iv. The Designer shall also submit a summary comparing the final construction drawings and specification and the final Estimated Construction Cost with the Program requirements and submittals made during the Design development phase, explaining any significant deviations.
 - v. All submittals shall be subject to the written approval of the User Agency and the City of Waltham. Unless a lesser number is requested by the City of Waltham or is provided below in subsection vii, the Designer shall furnish to the City of Waltham for approval six sets of the drawings, specifications Construction Cost Estimates and other submittals. The Designer shall also furnish electronic media copies of the foregoing drawings in documents in such form as is required by the City of Waltham.
 - vi. From the Approved construction drawings and specifications, with such changes as the City of Waltham requires, the Designer shall prepare and transmit to the City of Waltham a set of reproducible black and white drawings and original specifications in high quality white bond paper, single-sided, properly packaged, suitable for reproduction, stamped and signed by all disciplines, which documents shall become the property of the City of Waltham. Other suitable methods may be used with the prior Approval of the City of Waltham. One copy of the drawings and specifications shall be submitted with the reproducible drawings and specifications.
 - vii. The City of Waltham will copy the construction bid documents, including advertisements, for receipt of proposals from the construction contractors, and for execution of a Construction Contract or contracts. The Designer shall prepare all addenda (to include bidder's questions and Designer's response), subject to the Approval of the City of Waltham. The Designer and Consultants shall attend the pre-bid conference if one is scheduled, taking note of all questions asked. Relevant questions submitted in writing shall be

answered by means of written addenda to the bid documents as required. The Designer may be required to attend the bid opening and conduct a review of the qualifications of the low bidder and shall, within five working days of the respective bid opening dates, advise the City of Waltham in writing of the Designer's opinions as to the bids and as to which bidder is the responsible and eligible bidder that has submitted the lowest bid.

- viii. If required by law or request by the City of Waltham, the Designer shall assist the City of Waltham in the prequalification of prime contractors and sub-contractors pursuant to M.G.L.c.149, §§44D1/2 and 44D3/4 or M.G.L. c. 149A.
- ix. If within three months after approval of Construction Documents, in final form, the bids of the lowest responsible and eligible bidders exceed the Fixed Limit Construction Cost, the Designer shall, if so instructed in writing by the City of Waltham, provide such revised construction drawings and specifications and construction cost estimates as the City of Waltham shall require for the purpose of bringing the cost within the Fixed Limit Construction Cost; provided the Designer may in connection with such revision make reasonable adjustment in the scope of the project to the written approval of the Director, which approval shall not be unreasonably withheld. The Designer shall not be paid additional compensations for such services.

4.4 Construction Administration Phase Services (Alternate).

- i. Consistent with the standard care and practice stipulated in Section 3.3 above, upon the award of the Construction Contract the Designer and its Consultants shall, for the purposes of ensuring construction quality, cost control, schedule control, compliance with the City of Waltham's obligations under the Construction Contract, and protecting the City of Waltham against defects and deficiencies in the work of the project under the Construction Contract documents:
 - (a) Be charged with general administration of the Construction Contract to the extent set forth herein;
 - (b) Furnish the general contractor with information for establishing lines and grades and such large-scale drawings and full-scale detailed drawings as are needed to implement the intent of the Construction Contract documents;
 - (c) Promptly in accordance with the requirements of the Construction Contract check, obtain testing where necessary, and approve samples, schedules, shop drawings and other submissions by the general contractor;
 - (d) Prepare, maintain and update logs for all submittal and changes to the Construction Contract;
 - (e) Visit the site at least once per week and observe the progress of the work, issue written progress reports, and conduct job meetings, and prepare and distribute meetings minutes to assure that then work is technically

correct and is being built in conformance with Approved construction documents;

- (f) Report to the City of Waltham weekly in writing on the progress of the work including whether or not the general contractor is keeping as-built drawings updated;
 - (g) On a weekly basis (or more often as may be necessary) make specific recommendations on rejection of all Project work observed by the Designer that fails to conform to the Construction Contract Documents, and review and inspect corrected work;
 - (h) Require each Consultant employed in accordance with Article 3 to make visits weekly during the progress of any work to which the consultant employed in accordance with Article 3 to make visits weekly during the progress of any work to which the consultant's services relate and to report upon it in writing to the Designer;
 - (i) Conduct semi-final and final inspections of the project and report the results of such inspections in writing to the City of Waltham;
 - (j) In a timely manner, decide all questions regarding interpretation of, or compliance with, the Construction Contract documents, except as the City of Waltham may in writing otherwise determine;
 - (k) Furnish electronic versions of the Record Drawings, a final cost report, and other required documents;
 - (l) Assist the City of Waltham in any bid protest hearing, change order appeal hearings requested under M.G.Lc.30,§39Q, and any other litigation, except as provided in Article 6;
 - (m) Except as otherwise specifically set forth in the Construction Contract documents, the Designer shall neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedure, or for safety precautions and programs in connection with the work, since these are solely the Contractor's rights and responsibilities under the Construction Contract documents.
- ii. The Designer shall submit to the City of Waltham in a timely manner all requisitions for payment submitted by the general contractor in the form required by the City of Waltham. With respect to each such requisition, the Designer shall certify to the best of its knowledge that the percentage of work included in the requisition is accurate and that the work performed conforms to the Construction Contract documents. In the event that the Designer does not approve the requisition exactly as submitted by the general contractor, the Designer shall forward it for payment to the City of Waltham dated and signed with corrections with an accompanying letter of explanation setting forth the Designer's objections and recommend changes. The Designer shall coordinate the required visits to the construction site so as to enable it to submit to the City of Waltham the general contractor's monthly requisition for payment bearing the Resident letter of exceptions. Timely payments to the contractor are required by M.G.Lc.30,§ 39k; therefore, the Designer shall establish procedures assuring either immediate

mail or messenger delivery of the requisition for payment to the City of Waltham, and shall process requisitions for payment within two working days after receipt of the same.

- iii. Before examining the requisition for final payment submitted to the City of Waltham by the general contractor and making any certification in response thereto, the Designer shall obtain from the general contractor As-Built drawings, include drawings showing the actual installations of the site utilities, plumbing, heating, ventilation and electrical work under the Construction Contract, and recording all changes. The Designer shall ascertain that changes authorized by change orders are shown on the general contractor's As-Built Drawings. The Designer shall revise the applicable original reproducible drawing and electronic media drawings on the basis of As built Drawings and shall submit them as Record Drawings along with two sets of prints to the City of Waltham; which Record drawings shall become the property of the City of Waltham, all as part of its Basic Fee.
- iv. At the conclusion of the Construction Contract the Designer shall assist the City of Waltham's Authorized Representative Owner's Representative, if available, in the evaluation of the performance of the general contractor as required by M.G.L c. 149, § 44D or any other law.
- v. Two suitably bound legibly bound legible copies of all original designs and quantity calculations including those pertinent to change orders and shop drawings if applicable shall be furnished by the Designer to the City of Waltham at the conclusion of the Construction Contract.

4.5 COMPARATIVE EVALUATION CRITERIA

The City reserves the right to award the Contract to the responsive and responsible qualification submittal which best meets the City's needs, taking into account firm qualifications, Proposal submittal quality, evaluation criteria and price. The Awarding Authority's decision or judgment on these matters shall be final; the Designer Selection Board (DSB) will use the comparative criterion for each separate rating area, and based upon these criteria, will assign an overall rating to each proposal. Each criteria may contain ratings of:

- Unacceptable
- Acceptable
- Advantageous
- High Advantageous

The technical section of the RFP is worth 55 points.

An "unacceptable" rating in any one of the criteria will eliminate the proposal from further consideration.

Firms must meet the minimum Compliance requirements as a specified. Failure to meet the minimum evaluation criteria will result in immediate rejection of the qualification submittal and will not be subject to further review. The following criteria will be used in

the evaluation of the architectural firm regarding the Technical or Non-Price Proposal in order to be placed on the short list for an interview with the selection committee.

Responding Firms are to address each of the following criteria in a clearly labeled section of their response and in the same order:

- 1) The Firm Background, Relevant Experience and Capability to perform all of the aspects of the project, such as programming, building permitting, cost estimating and value engineering and flood mitigation design. Recent experience with projects comparable to the proposed project. Firm to describe relevant design in this type of product. (15 points)**
 - A. Unacceptable:** Less than three years of experience in providing Design services with documented examples of such services. Firm has no permitting or design background in providing this type of facility project. No projects of similar type have been successfully completed. *(0 points)*
 - B. Acceptable:** Three to Five years of experience in providing Design services with documented examples of such services. *(3 points)*
 - C. Advantageous:** More than seven years of experience in providing Design services with documented examples of such services. Firm has prior experience in permitting and design in providing this type of facility project that is current (within past 5 years). One to three projects of similar type have been completed. *(10 Points)*
 - D. Highly Advantageous:** more than seven years of experience in providing Design services with documented examples of such services. Firm has prior experience with permitting and design background in this type of facility project that is current (with past 5 years). Additional similar work is undergoing in this firm. Three or more projects of similar type have been successfully completed. *(15 Points)*

- 2) Current Firm Capacity and References (10 points):** List significant current work and work completed in the last five years, as well as projects in-house but not yet begun. Provide references with contact names and valid phone numbers of other clients whereby similar work has been performed.
 - A. Unacceptable:** No or limited current work listed. References are not provided. *(0 points)*
 - B. Acceptable:** Firm capacity may be challenged by current work load when taking on these assignments. References provided are not related to similar project types. *(2 points)*
 - C. Advantageous:** Firm capacity appears to be able to handle this assignment with the given work load. More than three references are provided from similar project types. *(5 points)*
 - D. Highly Advantageous:** Firm capacity can easily handle this assignment with their given work load. Five or more references are provided for similar project types. *(10 points)*

3) Project Discussion & Scope of Work, Project Understanding & Challenges, Project Approach (10 points)

- A. Unacceptable:** Proposal did not adequately convey the proposer's understanding of the project and the firm's approach to completing the project successfully. *(0 points)*
- B. Acceptable:** The response indicates a proposal may understand the Owner's needs, but the plan is still not clear enough to make a determination. The proposer's approach does not instill confidence in a plan to complete the project in a well thought out manner. *(2 points)*
- C. Advantageous:** The Scope of Services response provided indicates the proposer will meet the needs of the owner and shows the Proposer's demonstrated understanding of the project and their approach to the work required to complete a successful project. *(5 points)*
- D. Highly Advantageous:** The Scope of Services response provided clearly indicates the understanding and ability to successfully meet the needs of the Owner; shows the Proposer's demonstrated understanding of the project; their ability to bring leadership to the project and that their approach to the project demonstrates a creative and through process. *(10 points)*

4) Resume of Designers Involved (10 points)

- A. Unacceptable:** No proposed designers. *(0 points)*
- B. Acceptable:** The proposed designers are less than two and indicate a reduced understanding of the project, its scope and its scope and its timeframes for completing the work adequately. *(2 points)*
- C. Advantageous:** The proposed designers provided are more than two and indicate a good understanding of the project and the work desired. *(5 points)*
- D. Highly Advantageous:** The proposed designers are more than three, including a senior member of the Designer's firm and indicate a proficient understanding of the project and the work required. *(10 Points)*

5) Municipal Experience (10 points)

- A. Unacceptable:** No municipal experience provided. *(0 points)*
- B. Acceptable:** One to three previous projects completed with municipal or government agencies. *(2 points)*
- C. Advantageous:** Two to three previous projects completed with municipal or government agencies. *(5 points)*
- D. Highly Advantageous:** More than three previous projects completed with municipal or government agencies. *(10 Points)*

6) Price (45 points)

A Place Bid Price sheet in a separate sealed envelope clearly marked: "Price Proposal for DESIGN of the Exterior Improvements to Waltham City Hall."

4.6 RULE FOR AWARD

The contract shall be awarded to the responsive and responsible Proposer who submitted the most advantageous proposal, taking into consideration the proposals relative merits and price. **The technical section of the RFP is worth 55 Points of the award; the Price is worth 45 points.**

6.3 Compensation for Other Services: The services provided pursuant to sections 6.1 and 6.2 of this Article are part of the basic services rendered by the Designer and no additional compensation will be made. The cost of other services, if any, shall be incorporated in the basic fee which is fixed and not-to-exceed.

6.4 Change Orders and Modifications. The Designer shall be compensated in accordance with the rates negotiated PRIOR to the change order or modifications. Neither the Designer nor its consultants will be compensated for any services involving preparing changes that are required for additional work that should have been anticipated by the Designer in preparation of the bid documents, or that were occasioned by the Designer's errors or omissions, as reasonably determined by the executive head of Waltham (M.G.L c.7, §, 38(j)) The Designer shall not be compensated for any services involved in preparing changes required to make unit price adjustments due to existing conditions, nor for services involved in change orders for time extensions only. Changes for which the Designer receives no compensation under this Article shall be call "no fee modifications" or " no fee change orders" The fact that the Designer receives no fee shall not wave the City of Waltham's legal remedies regarding such changes

ARTICLE 7 REIMBURSABLE COSTS AND EXPENSES

7.1 General. The Designer shall be reimbursed by the City of Waltham for:

- i. The actual cost to the Designer of special consultants approved by the City of Waltham but not specified in Article 3 or in the Designers Selection Board's advertisement for the Project. No reimbursement for such expense shall be made unless the rates of compensation for said consultant services shall have been previously approved by the City of Waltham. The City of Waltham will negotiate a lump sum fee.

- ii. Permit filing fees and other actual costs for items not included in basic fee, including special printing, but only when specifically authorized in writing in advance by the City of Waltham.
- iii. For document copies in excess of 6.

7.2 Travel The City of Waltham shall not reimburse the Designer for travel expenses under this contract, provided, however, that in a special circumstance and with prior written approval by the City of Waltham, the Designer may be reimbursed for out-of-state travel expenses consistent with applicable statutes, rules and regulations.

ARTICLE 8: PAYMENT TO THE DESIGNER

8.1 Change Order. Unless otherwise approved by the City of Waltham, payments to the Designer for a modification or a change order shall be made when the modification or change order has been approved by the City of Waltham and the Designer's services with respect to the same, other than construction administration services, have been completed.

8.2 Schedule for Payment of Basic Fee. The lump sum fee under Article 5 above shall be paid in accordance with the approved work plan schedule of values prepared in accordance with Section 4.1, for performance of all services specified in Articles 3 and 4. The Schedule of Values shall be consistent with the following schedule so that the total installments of the Basic Fee in each phase of the schedule equals the percentage of the Basic Fee allocated to each such phase of the schedule below.

Actual payments can be requisitioned by the Designer upon completion of deliverables within each phase as set for in the approved work plan schedule of values:

TASK 1

- i. 20% at the completion of the schematics phase
- ii. 30% at the completion of the 100% design acceptance by the City of Waltham
- iii. 50% at the submission of the construction bid documents

TASK 2

- i. 10% at the conclusion of the pre-bid meeting
- ii. 20% at the conclusion of the addendum issued period
- iii. 35% at the conclusion of the bid certification, reference checks and award recommendation
- iv. 35% at the execution of the construction contract by the Mayor

- ii. 20% at the 50% construction completion
- iii. 40% at the 80% construction completion
- iv. 20% at the completion of the punch list and final project acceptance by the City of Waltham.

The Designer shall submit requisitions on a monthly basis for any deliverables completed within that month. City of Waltham shall not be obliged to pay any claims received more than forty-five days after notification to the Designer of final acceptance of the contractors' work under the Construction Contract.

8.3 Application for Payment: All invoices except for those made under provisions of section 8.1 above may be submitted monthly and will be promptly processed by the City of Waltham if they are in conformity with this Contract and properly documented; if not they will be returned to the Designer. No invoice (other than an invoice for the final payment to the Designer under this Contract) shall be required to be submitted or processed when the net amount due is less than \$200. Amounts of less than \$200 shall be added to the subsequent month's invoice. All invoices from the Designer shall be submitted to the city of Waltham accompanied by a completed City of Waltham of Massachusetts payment voucher.

8.4 Right of Offset If the City of Waltham finds that service previously paid for by the City of Waltham contained deficiencies, errors or omissions then the City of Waltham may withhold any payment an amount reasonably calculated by the City of Waltham to cover the cost of correcting the deficiency, error or omission until the services have been corrected. The City of Waltham may also offset against any payment due to the Designer the amount of any costs incurred by the City of Waltham arising from the Designer's failure to provide the requested services, deficiencies, errors or omissions. If the City of Waltham shall discover that the charge for any previously paid-for-services was calculated based upon incorrect salary rates or any incorrect information, the City of Waltham may offset any overcharges against any future payments. Any disputes related to offsets taken by the City of Waltham shall be subject to resolution pursuant to section 3.19 of this Contract. Nothing in this paragraph shall limit any legal remedies of the City of Waltham against the Designer for default, errors, omissions, erroneous claims, false claims, tort claims, or any breach by the Designer of the terms of this Contractor or applicable Laws.

ARTICLE 9: TERMINATION

9.1 City of Waltham's Right to Terminate. By written notice to the Designer, the City of Waltham may terminate this Contract, in whole or in part, at any time for either the City of Waltham's convenience or for the failure of the Designer to fulfill its obligations under this Contract within 10 days of the written intent to terminate letter.

9.2 Termination by City of Waltham for Convenience. If any such termination shall occur without the fault of the Designer, all compensations and reimbursable expenses due to the designer up to the date of termination, in accordance with all Contract terms, including proportionate payment for partially completed work, shall be paid to the Designer by the City of Waltham. The payments to the Designer shall not exceed the fair value of the Designer's work, as the City of Waltham shall determine. No amount shall be allowed for anticipated profit on unperformed services.

- 9.3 Termination by City of Waltham for Cause.** If this contract is terminated due to the failure of the Designer to fulfill the Designer's obligation under this Contract, the City of Waltham may assume the design work and replace it and/or prosecute the same to completion by contract or otherwise. In such case, the Designer shall be liable to the City of Waltham in addition to any rights and remedies provided by law or under this Contract.
- 9.4 Termination by Designer.** By written notice to the City of Waltham, the Designer may terminate this contract (i) if the City of Waltham, within 90 days following written notice to the City of Waltham from the designer of any default by the City of Waltham hereunder, shall have failed to remove such default, or (ii) if, after the Designer shall have performed all services required of the Designer in the schematic design phase, the design development phase, or the construction documents phased of the project described in this contract, at least six months shall have elapsed without receipt by the Designer of a notice to proceed with the next phase of the Designer's services, Upon any such termination by the Designer all compensation and reimbursement payable to the Designer in accordance with this Contract up to and including the date of termination shall be paid to the Designer by the City of Waltham. The payments to the Designer shall not exceed the fair value of anticipated profit on unperformed services.
- 9.5 Designer's Duties upon Termination:** Upon any terminations of this Contract the Designer shall deliver to the City of Waltham all data, drawings, specifications, reports, estimates, summaries, and accumulated by the Designer in performing this Contract.

ARTICLE 10: RECORDS, DISCLOSURE STATEMENTS, ACCOUNTING CONTROLS, AUDITS

Section 3-12

Change Orders are not effective until if,
as and when signed by mayor. No work
is to commence until change orders are
fully executed by all parties.

the provisions of this section, he shall exercise all the rights and powers of mayor including compensation and shall be sworn to the faithful discharge of his duties and a vacancy shall exist in his seat on the city council.

Section 3-8. Mayor's attendance at council meeting.

The mayor, when requested by the city council to be present at a council meeting to answer questions relative to matters properly within the jurisdiction of the council, shall be informed, in writing, of the subject matter to be discussed. The mayor shall personally, or through the head of a department or a member of a board, attend such meeting and publicly answer all such questions. The person so attending shall not be obliged to answer any questions relating to any other matter. The mayor may attend and address the city council in person or through the head of a department, or a member of the board, upon any subject.

Section 3-9. Adoption of measures, mayor's veto.

Every measure relative to the affairs of the city adopted by the city council, except such measures as relate to the internal affairs of the city council, the election of officers whose election by the city council is authorized by law or by the charter, or budgets submitted under section thirty-two of chapter forty-four of the General Laws or to appropriations by the city council under section thirty-three of said chapter, shall be presented to the mayor for his approval. If the mayor does approve it, he shall signify his approval by signing it. If he does not approve of it, he shall return it, with his objections in writing, to the city council. The city council shall enter the objections of the mayor upon its records and shall again consider the measure. If the city council, notwithstanding such disapproval of the mayor, shall pass such measure by a two-thirds vote of all its members, it shall be considered approved and shall then be in force, but such vote shall not be taken for at least seven (7) days after the measure has been returned to the city council. If any measure is not returned by the mayor within ten (10) days following the date it is presented to him, it shall be considered

approved. A filing with the clerk of the council shall be considered a return by the mayor to the city council. All votes taken on measures returned by the mayor shall be by roll call.

Section 3-10. Call of special council meeting by mayor.

The mayor may at any time call a special meeting of the city council by causing a notice of such meeting, specifying the matters which he desires to be considered, to be delivered in hand or to the place of residence of each councillor. Public notice of said meeting shall be posted at least forty-eight (48) hours in advance of the time set for such meeting; however, in the event of an emergency, of which the mayor shall be the judge, a lesser period shall suffice and no other business except as provided shall be in order.

Section 3-11. Employees in mayor's office not subject to civil service.

The civil service laws shall not apply to the appointment of the mayor's secretaries or of the stenographers, clerks, administrative assistant, and other employees in the mayor's office, and the mayor may remove such appointees without a hearing and without making a statement of the cause of their removal.

Section 3-12. Approval of contracts by mayor.

All contracts made by any department, board or commission where the amount involved is two thousand dollars (\$2,000.00) or more shall be in writing, and no such contract shall be deemed to have been made or executed until the approval of the mayor is affixed thereto. Any construction contract shall, and all other contracts may, where the amount exceeds five thousand dollars (\$5,000.00) be required to be accompanied by a bond with sureties satisfactory to the mayor or by a deposit of money, certified check or other security for the faithful performance thereof, and such bonds or other securities shall be deposited with the city treasurer until the contract has been carried out in all respects; and no such contract shall be altered except by a written agreement of the contractor, the sureties on his bond, if any, and the officer, department or board, as the case may be,

making the contract, with the approval of the mayor affixed thereto. Any cash deposit or check payable to a city received as security for performance under this section may be deposited by said treasurer in any bank or trust company under a separate account to be known as a performance deposit account.

The provisions of this section shall be deemed to have been complied with on all purchases made under the provisions of sections twenty-two A and twenty-two B of chapter seven of the General Laws when one municipality acting on behalf of other municipalities complies with the provisions of this section, or when purchases are made for a vendor holding a contract with the commonwealth for the item or items being purchased.

ARTICLE 4. SCHOOL COMMITTEE

Section 4-1. Composition, election, terms, organization, dual employment.

The school committee shall consist of seven (7) members, one (1) of whom shall be the mayor, who shall be chairman. The remaining six (6) members shall be elected at large, each to serve four (4) years, three (3) of whom shall be elected biennially. The members of the school committee shall elect one (1) of its members to serve as vice chairperson annually. The committee shall organize annually on the first Sunday in January, and shall elect one of its members as vice chairman, who shall preside at all meetings of the committee at which the mayor is not present. No member of the school committee shall, while a member thereof, hold any other office or position in the school department the salary or compensation for which is payable out of the city treasury.

Section 4-2. Powers and duties.

Except as otherwise provided in this charter and subject to any laws which limit the amount of money that may be appropriated in any city for school purposes, the school committee, in addition to the powers and duties conferred and imposed by law on school committees, may provide, when necessary, temporary accommodations for school purposes, may make all repairs, the ex-

penditures for which are made from the regular appropriation for the school department, shall have control of all school buildings and grounds connected therewith and shall make all reasonable rules and regulations, consistent with law, for the management of the public schools of the city and for conducting the business of the committee.

Section 4-3. School committee vacancy.

If a vacancy occurs at any time in the office of school committee by failure to elect, or otherwise, the city council and the remaining members of the school committee shall meet in joint convention, which shall be called by the city clerk forthwith, and elect a suitable person to fill the vacancy until the first Sunday in January following the next regular municipal election; and, if there would be a vacancy on said first Sunday, it shall be filled at such regular municipal election for the balance of the unexpired term. The mayor, if present, shall preside at the convention.

Section 4-4. Open and public meetings, roll call vote.

All meetings of the school committee shall be open to the press and to the public, except as otherwise authorized by section twenty-three A and twenty-three B of chapter thirty-nine of the General Laws. The vote in any particular measure taken in open session shall be recorded by roll call vote when requested by two (2) members. All votes taken in executive session shall be recorded by roll call vote.

Section 4-5. Superintendent of schools, selections, appointment, duties and compensation of other school employees.

The school committee shall elect a superintendent of schools annually, except as provided in section forty-one of chapter seventy-one of the General Laws, and may under chapter thirty-one of the General Laws appoint, suspend, or remove at pleasure such subordinate officers or assistants, including janitors of school buildings, as it may deem necessary for the proper discharge of its duties and the conduct of its business; it shall define their terms of service and their duties and shall fix their compensation.

DEBARMENT CERTIFICATION

In connection with this bid and all procurement transactions, by signature thereon, the respondent certifies that neither the company nor its principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts, procurement or non procurement programs from the Commonwealth of Massachusetts, the US Federal Government and /or the City of Waltham. "Principals" means officers, directors, owners, partners and persons having primary interest, management or supervisory responsibilities with the business entity. Vendors shall provide immediate written notification to the Purchasing Agent of the City of Waltham at any time during the period of the contract of prior to the contract award if the vendor learns of any changed condition with regards to the debarment of the company or its officers. This certification is a material representation of fact upon which reliance will be placed when making the business award. If at any time it is determined that the vendor knowingly misrepresented this certification, in addition to other legal remedies available to the city of Waltham, the contract will be cancelled and the award revoked.
