Re: Opening during the COVID 19 Pandemic

Dear Licensee's

The City of Waltham License Commission, Health Department have been informed of COVID 19 protocol for Restaurants and Common Victualer establishments, the Health Department has given our office the following guidelines which the Licensees may now have the use of regular dinnerware, forks, knives, spoons for the service of food. The paper products are still in force for beverages, no glass bottles, no glassware for service of Alcoholic or non-alcoholic drinks for your extension of premise.

Please see the MASS.gov guidelines on-line for easier reading:
