Winter St & Lincoln St Utility & Roadway Improvements Project

**Phase 2
Lincoln St Curbing & Sidewalk Work**

**FIRST SECTION
(Winter St to Sanderson Rd)**

N. GRANESE

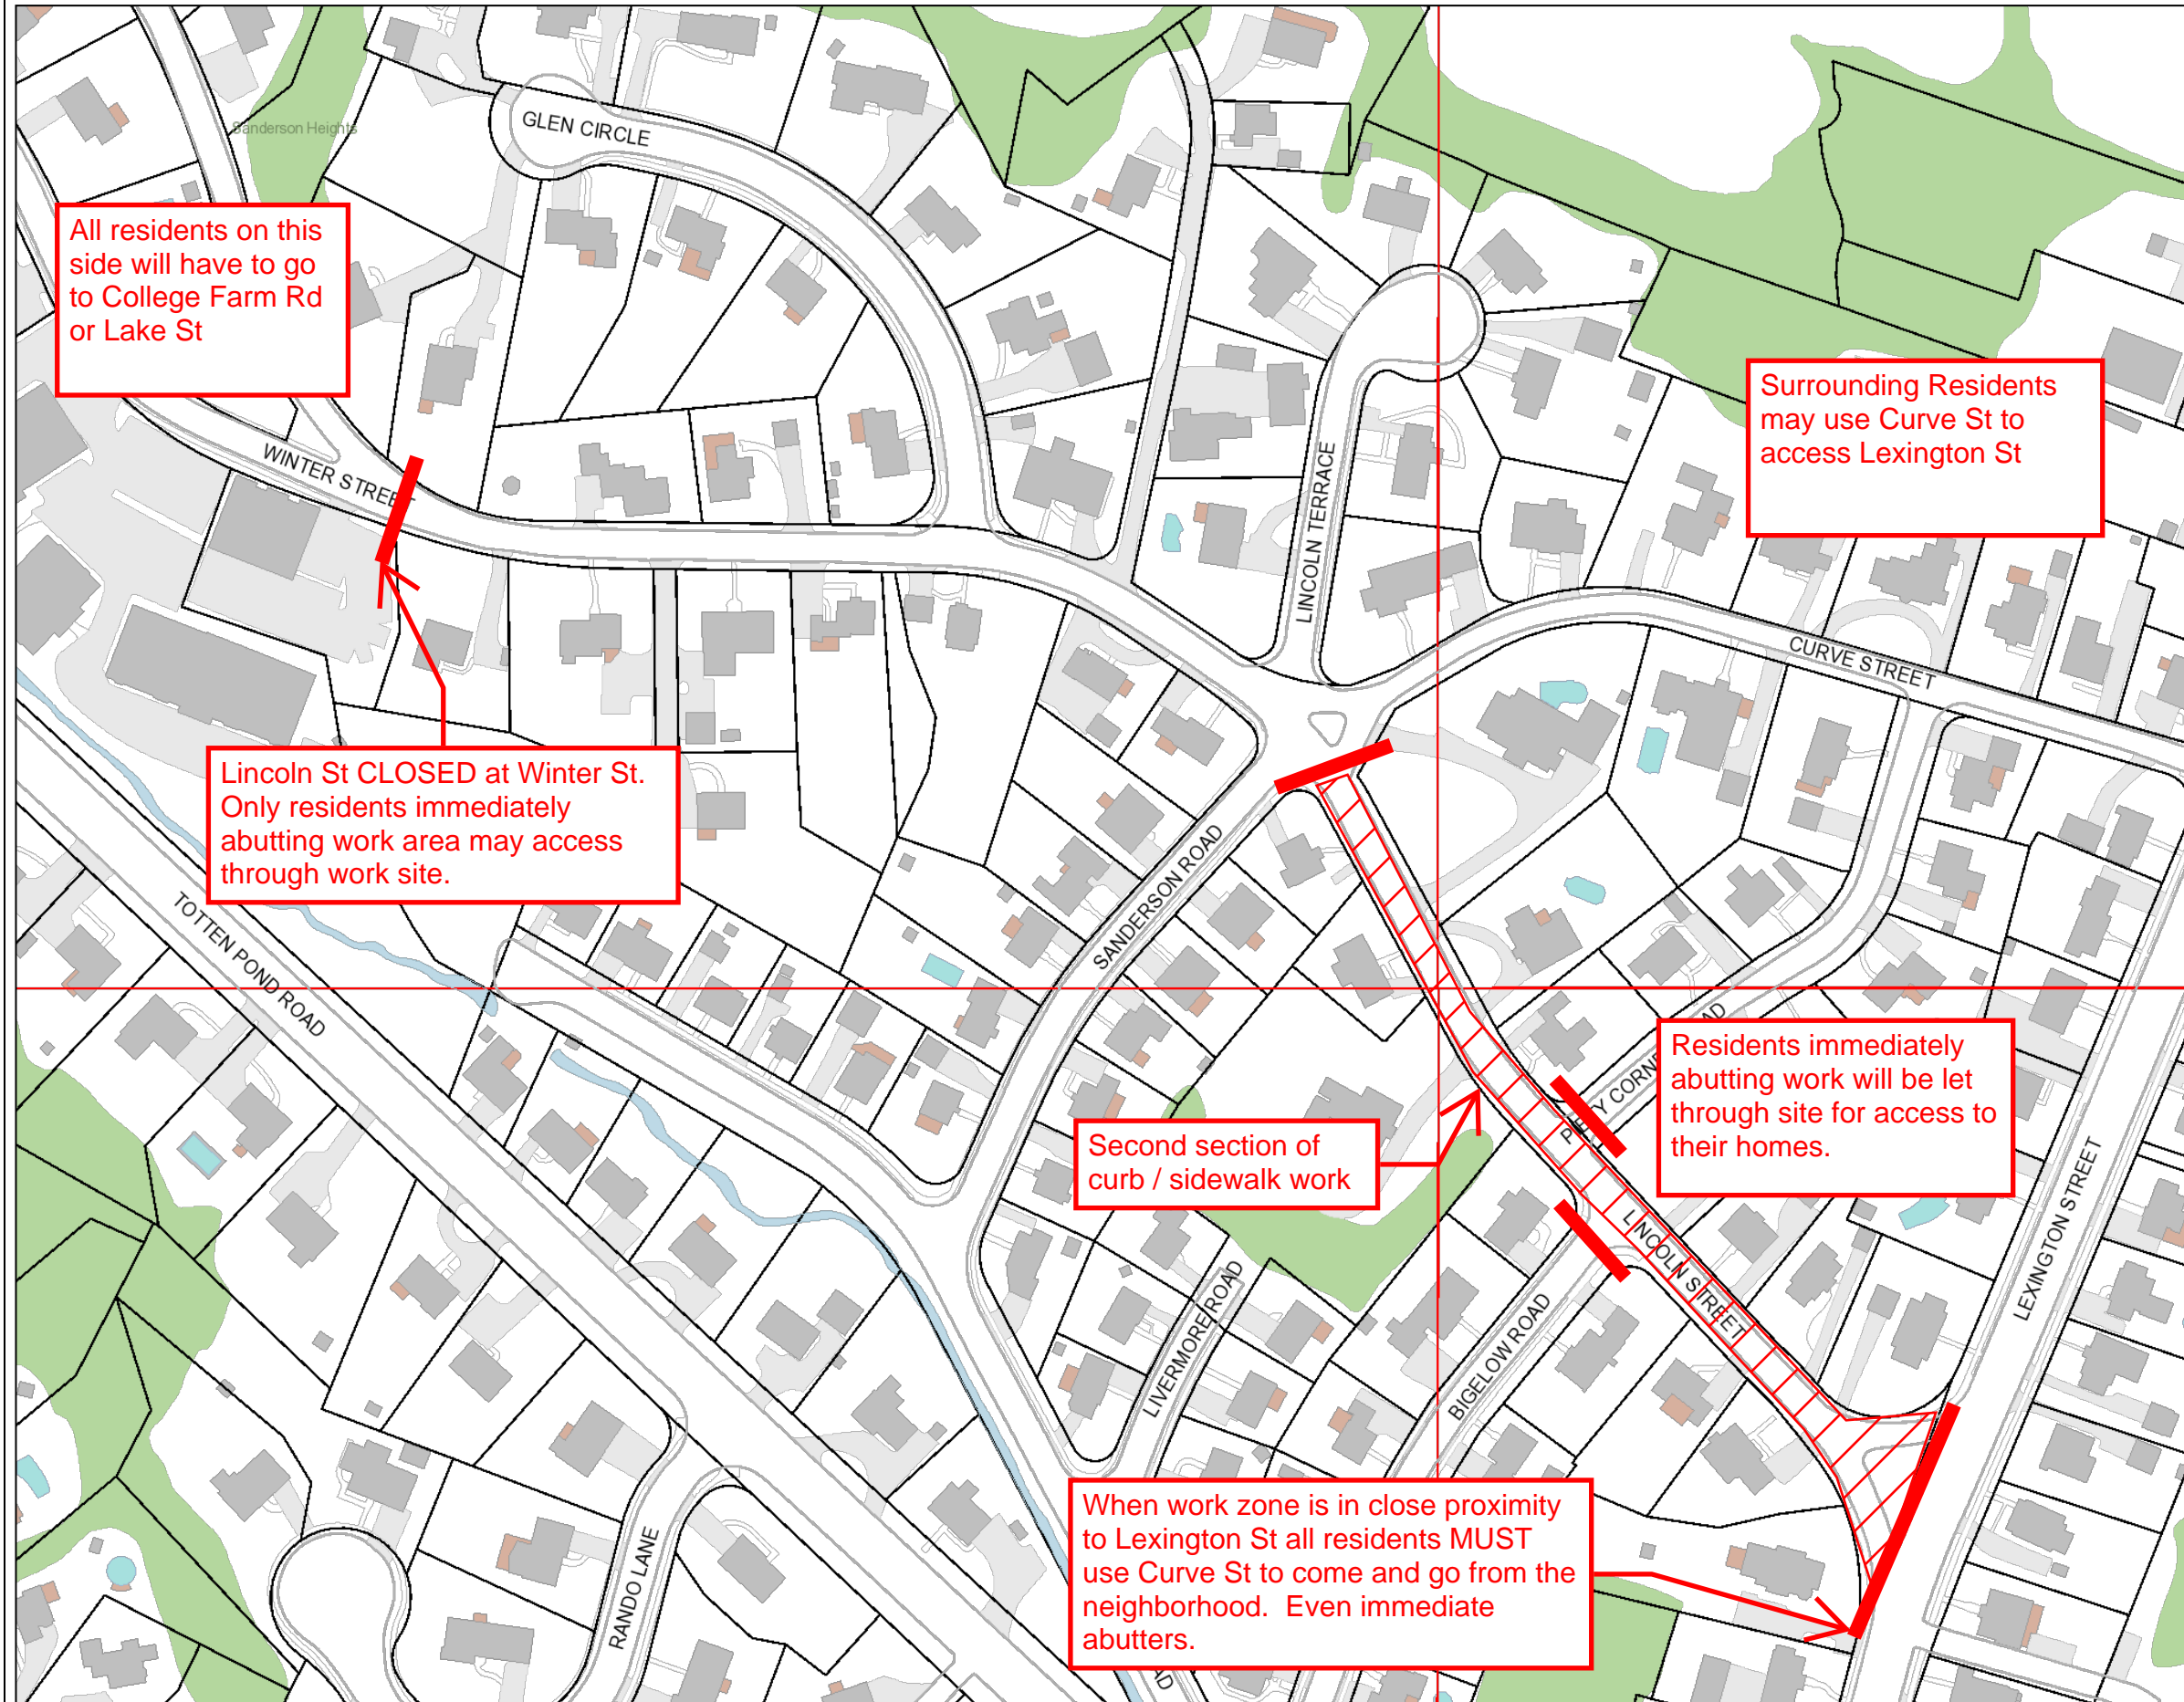

Start: Monday 3/11

Anticipated total duration 6-8 weeks for all curbing and sidewalk work (both sections)

**WORK HOURS:
7:00AM - 4:00PM**

It is anticipated that curb work in Section 1 will take approximately 2 -3 weeks. Crew will move to Section 2 curb work for approximately 2-3 weeks. They will then return to pour concrete in each Section which should take approximately 1 week each. This schedule is subject to change. Please contact John Martino of the Waltham Engineering Department with any questions, concerns, and schedule updates.
