WALTHAM FIRE DEPARTMENT HOSTS NATIONAL FIRE PREVENTION WEEK OPEN HOUSE TEACHING FIRE SAFETY & PREVENTION SKILLS

Waltham Fire Department Fire Prevention Week Open House

Date	Sunday, October 23rd, 2022
Time	1:00pm – 3:00pm
Location	Moody Street Fire Station, 533 Moody St

WALTHAM, MA – 10/12/22 – The Waltham Fire Department welcomes local families to a free Open House on Sunday 10/23/2022 from 1-3pm. The open house is aimed at teaching families fire safety and prevention practices. The event will be held at 533 Moody Street.

This open house commemorates National Fire Safety Month (October). Participants will receive safety tips such as “stop, drop and roll”, learn how to plan escape routes and how to crawl safely through a smoke-filled room. Come visit the recently rebuilt Moody St. fire station, meet the firefighters, and enjoy a chance to look at and sit in the fire trucks.

“This event allows us to reach out to the community and arm local families with fire safety tips and procedures,” said Lt. Ferrick. “Our open house allows families to get together and better prepares them to react if a fire does start.”
