This map from the 1992 Landscape Master Plan defined zones 1-7 being the 6-acre historic core (outlined in red), zone 8 being the wooded conservation lands, and zones 9 and 10 being utilitarian areas shared by both uses.

Any activities in zones 8, 9, and 10 require the approval of the Conservation Commission, and coordination with the planning department to avoid conflicts with other scheduled events and facility rental.

Any activities in the historic core or zone 10 require the approval of the Historical Commission and the Planning Department.
