Waltham Recycling and Trash Guidelines:

- Recycling and trash is collected weekly in Waltham. Containers must be placed curbside one hour before sundown the night before your scheduled pick-up day, or by 7:00am on your scheduled pick-up day.
- REPORT A MISSED RECYCLING / TRASH / YARD WASTE PICK-UP to 781-314-3855, Monday - Friday, 7am-3pm.
- Trash barrels cannot exceed 32 gallons or 50 lbs.
- All trash must be put out for collection in a barrel with a lid. Only 2 bulk items per week.
- Please keep at least 5 feet in between your recycling cart and trash containers, or place on alternate sides of driveway so trash barrels don't get knocked over by toter tipper. Label them accordingly.
- Place trash and recycling carts in front of snowbanks when possible.

E-Waste and Appliances

EZ Disposal & Recycling will pick up TV & computer monitors, and major appliances such as refrigerators, freezers, air conditioners, washers, dryers, & metal cabinets by appointment only. Call them at 781-233-2211 at least 24 hours in advance before putting these items out on your regularly scheduled trash & recycling pick-up day. Special pick-ups require advance scheduling of separate truck. Items must be placed curbside by 7am. Driver does not assist with transport to curb. You can report abandoned items to EZ Disposal at 781-233-2211.
