In order to be eligible for Program assistance, beneficiaries must meet income limits established by HUD. Under this Program, annual income is defined in 24 CFR 5.609 which is used by a variety of federally-assisted programs. The Part 5 definition of annual income is the gross amount of income of all adult household members (over 18) that is anticipated to be received during the coming 12-month period. The three principal steps in the income verification process for the Program include the following:

1. Document applicant’s source(s) of income. Sources of income may include: employment/unemployment, social security, alimony, pension, monthly rental payments, child support, etc. (See Sources of income used to calculate household income below.)

2. Calculate the applicant’s projected income using the source documentation submitted in step 1. This calculation includes all sources of income including assets (see below) and any regular financial contributions and gifts from persons not living in the household.

3. Compare the applicant’s household projected income with HUD’s income limits. Applicants whose household income does not exceed the 80% income limit, based on household size, are determined to be income-eligible for Program assistance. Ninety (90) percent of available funds will be reserved for household income limits of 60% of the area median income or below.

The maximum rent for units, that do not include utilities supplied by the owner will be determined by the Housing Division when it is disclosed what utilities are a responsibility of the tenant. A utility allowance will be applied to all rent amounts.

- The property must meet Housing Quality Standards established by HUD.

- Property must comply with Federal and State lead paint regulations.

- Lead Paint Grant Assistance is available to the landlord/homeowner.

Security Deposit, First and or Last Month’s Rent Assistance

- Applicants must have income to provide rent payments to landlord.

- The program can provide two month’s rent payments directly to the landlord on behalf of the approved household. These payments are for any combination of a security deposit, first month’s rent and last month’s rent. In the case of a subsidized rental unit. The security deposit and rental payment will be determined by the local housing authority.

- It is the responsibility of the tenant to make full rent payments to the landlord for the lease term. The City is not responsible for any other rent payments other than the security deposit, first month and / or last month’s rent. This payment will not exceed the value of two months of rent.

- The assistance is in the form of a grant. There is no repayment due to the City. The security deposit will be returned to the tenant at the end of the lease term as long as all lease requirements have been fulfilled by the tenant.

- The security deposit payment will be refunded to the City by the landlord if the tenant has not complied with the terms of the lease.
• The property must be the primary resident of the household for the entire term of the lease.

• The lease term must be for at least one year.

• The property must meet HUD Housing Quality Standards (HQS) and city building code.

• **Program assistance is one time only and the amount of TBRA assistance cannot exceed an amount that is above two months’ rent payment. Program Staff will determine the assistance provided on a case by case basis.**

• Eligible households will have 60 days to find an apartment once approved. Extensions can be provided if there are program funds available at that time.

**Application Process**

• A potential borrower must fill out an application, which includes the submission of all required materials

• Applications will be reviewed for initial eligibility in order of submission.

• All applicants will be notified by mail that either they are not eligible or are granted a preliminary eligibility determination. A preliminary eligibility determination by the City is not a financial or legal commitment on the part of the City to issue assistance.

• Once an applicant receives a preliminary determination of eligibility, funds will be set-aside in his or her name if the City has funds available. If there is no money available at that time, the applicant’s name will be placed on a waiting list.

**Apartment Rental**

1) When an applicant is notified that s/he is eligible and that funds are available, s/he is then must find an apartment/house to rent. The City does not provide assistance in finding housing.

2) An applicant must receive approval from the City prior to entering into a lease agreement with a landlord.

3) Borrowers must first have approval from the City before entering into any housing. Additional requirements must be understood before the tenant can proceed. These requirements include non-displacement of current tenants, lead paint law and rent limits that will be imposed upon landlord and tenant. The City has the right to deny funding if the property is not affordable to you at your current rate of income.

4) Landlords and tenants cannot be related.

5) The Waltham Housing Department will also inspect the property to determine if it meets Housing Quality Standards and if repairs are required to meet these standards. No property can be occupied with federal funding that is not up to HQS Standards.
Acceptance of Housing

You must contact the Housing Office prior to signing a lease agreement. The following information is important and your funding could be at risk if you do not follow the following guidelines.

Lead Paint

The landlord must provide proof that the property is lead paint compliant or agree to inspect the property for lead paint. If there is lead paint, the landlord can apply for a de-leading grant to abate the unit as long as he/she agrees to lease to a program participant for at least one year.

Once an application is accepted you will be required to schedule an appointment for interview. This interview will allow Housing Staff to obtain required signatures from applicant(s) to verify all financial information submitted. The verification process can take 2-4 weeks to be completed. All applicant and co-applicants must attend the scheduled interview for the process to begin.

Additional information and applications can be found on our website at http://www.city.waltham.ma.us/Housing/index.html

Affirmative Marketing

In accordance with 24 CFR 92.350, and to further the City’s commitment to nondiscrimination and equal opportunity, the City of Waltham will not discriminate on the basis of race, color, national origin, religion, or sex. Tenant Selection Criteria

Application and Review Process
Application and copies of this Tenant Selection Criteria Policy are available from the City of Waltham Housing Division. Applicants are encouraged to call with questions or to review a submitted application. All applications must be fully completed including your correct mailing address and current telephone number.

Staff will review applications to determine eligibility. This review will be based upon the applicant's stated income(s), household size, etc. Applicants will either be qualified and placed on the waiting list, or rejected because they do not appear to meet the minimum criteria.

Applicants must have verifiable income that is sufficient to pay rent on the leased unit. No applicant will be provided security deposit funds if rent payments are not affordable to the household. An applicant must use no more than 30% of their household income towards rent. This calculation will be made by the Housing Division once an income determination has been completed and all housing expenses are considered in the calculation.

In accordance with applicable equal opportunity statutes, Executive Orders, and regulations, the City does not discriminate against any person because of race, color, religion, sex, national origin, age, national origin, ancestry, marital status, sexual orientation, genetic information, veterans history, source of income, families with children or disability; excluding the income limits, size of households and other criteria established in this document.

TBRA Waiting List
If funding is not available, an annual waitlist will be maintained for qualified applicants. At the end of the one year period waitlisted applicants will be notified that the waitlist will be discarded and they must re-apply if they want to be considered for TBRA Security Deposit Assistance. It is the applicant's responsibility to notify the Housing Office if there is any change of address for proper notifications to be received.

Minimum Qualification Guidelines

1. Households must meet income limits.

HUD (US Department of Housing and Urban Development) determines the median income. Total household income, in relationship to household size is considered when approving an application. Ninety percent of TBRA funding is reserved for those households that are at or below 60% of the Area Median Income. Ten (10) percent of TBRA funds will be used for households up to 80% of the area median income if those households are facing an emergency housing situation. Definition of an emergency housing situation is one that finds the household homeless or near homeless due to a natural disaster such as fire, displacement from a home due to code violations that make the property uninhabitable or a dangerous living situation due to domestic violence.
Income limits for 2018 are:
